Professional Experience

FILM INDUSTRY, Atlanta, GA

Video Assist Operator, November 2012 - Present

Using iMac system equipped with QTake software to record all takes and play back for directors and producers as needed. Setting up monitors for cast and crew to view playback. Frequent transferring of data between filing units. Organizing and inventorying equipment through entire production. Communicating with production staff about logistical changes including location shifts. Collaborating with Director to monitor quality and consistency of the project. Catalog and summarize daily activities and report information to production staff at the end of each shift.

- Most recently worked on *Red Notice* as 2nd Unit Video Assist Operator
- Served as Video Assist Operator on several television productions including *Doom Patrol*, *Watchmen*, *Lovecraft Country*, and *Stargirl*
- Worked on 6 Marvel films including *Avengers: Endgame and Infinity War*, *Ant Man and the Wasp* and *Spiderman Homecoming*
- Successfully transitioned from working as an extra, to Production Assist, and then Video Assist.

GEORGIA PIEDMONT TECHNICAL COLLEGE, Doraville, GA

Program Assistant, October 2011 - November 2012

Processed annual student registration. Communicated with instructors to receive and input attendance rolls and Scantron test scores. Served as proctor for exams. Worked closely with Program Supervisor to enhance data collection procedures. Assisted in overall office management including filing, answering phones, and resolving problems for students.
